## IS4 Daily Report April 20th-22nd

By DeSean Mclaullis, Reag Marreth and Kellye Finde

Yesterday morning on Moddell Secundus the church bells rang and the Warriors Cantina was filled to the brim with Navy and Army Personnel alike celebrating their recent victory over the planet.

Just the day before this wonderful scene, one of the first major battles in the Imperial Storm 4 Wargames commenced between the ISD Warrior and ISD Hammer's forces. The fighting was rough but the Warrior outnumbered the Hammer and after two days completely wiped the Hammers Fleet out.

Fighting was intense both in the Sky and the Surface, reports of a fallen ship of the ISD Hammers Fleet crash landing north of the Planets capital flooded into the INN. According to civilians who witnessed the battle reported Warrior forces landing and having fierce street to street combat with the Hammers forces.

News of the win came in earlier yesterday to the ISD Warrior and our reporter on the scene, Kellye Finde, interviewed a Cook droid working in the Warrior's Cantina about the ship's high morale.

COO-4831, works in the ISD Warrior's Cantina on Tuesdays and Thursdays.

### **Interview - #71815A01 - COO-4831**

Finde: "Please give us a little background on yourself alright- 4...831"

COO-4831: "A little background? Welp where do ya begin fine lady- I suppose I'm just yer friendly neighborhood cook, spent some time in the outer rim, ya know in the boarding business, but nowadays I'm just kept by the Engineers on this fine Cruiser to serve these pilots good drinks."

Finde: "Wonderful, So could you tell us a bit about how the current IS4 Wargames battle in Modell Secundus have affected the mood on the ship?"

COO-4831: "Well when thee news came in yer know these fellas, they all huddled around our only holotable and just watched the news about the battle for hours, got 'em so busy they forgot to buy any drinks!"

Finde: "-And how did the Pilots react when the news came of the Warriors Victory?"

COO-4831: "Well it was like a Life Day festival- The whole Cantina racked in a few thousand credits just in that day, folks were happy as two correllians in a Freighter."

---

The Warrior's Crew continues to have high morale at this current time but all is still serious business in the command bridge as the Warrior's Commodore, Marenta, looks to the future of the Warrior in the IS4 Wargames.

Apart from the thrilling battle between the Hammer and the Warrior, news of fighting over Lao Mon between Challenge and Hammer Forces has come in and some reports of Challenge Reinforcements coming in the second day of the battle have come too.

Currently the IS4 Standings are as follows: The Challenge is in first, The Hammer in second and the Warrior is in last place.

More news to come.
