Combat has finally broken out in this year's Imperial Storm Wargames. The quick and decisive battle was charged at Spar Alpha between Warrior and Challenge forces.

Challenge forces attacked and disabled a single VSDII "Battu Vengeance" and a TIE Defender Squadron "Black Death Squad" The battle was fast due to the Warriors forces being so outnumbered.

The Warrior forces were only able to inflict minimal damage on Challenge forces and only disabled a single A-Wing Squadron. Otherwise the wargames have been fairly silent

More news to come in the future.
