# RAISE THE FLAG IS HERE!

Lambda and the ISD Hammer will be battling it out the month of September, during the Raise the Flag (RtF) competition. Our yearly fleet-wide gamming grind features a number of changes, with the inclusion of additional games, a different fleet balancing mechanic, and a storyline tied to milestones accomplished over the month.

As previous iterations, fiction and art will have minicompetitions, as will memes! So strap in, hop in discord, and get your gaming on! We will be defending our two-year title of 'Escort Squadron' from the likes of every envious squadron in the fleet! Utinni!

I will be in Discord Voice Chat as much as possible, available to play a whole multitude of games. Even if you don't want to talk, I encourage everyone to join a VC channel in discord to show support for the community and RtF. This is a group event, and it is infinitely more enjoyable to play with friends. And don't be afraid to group up with pilots of other squadrons or ships! Most of them don't have cooties...

## SQUADRON HIGHLIGHTS

On August 16, 33ABY, Major KEBLAOMEGA completed his 4,000th single player victory, achieving the Fleet Commander's Honor Guard rank of Imperator! Only 8 other pilots in the course of the TIE Corps's entire 29 year history have crossed this threshold! Your Gold Star is in the mail! Utinni!

Lambda has seen numerous other flight rating increases with several pilots:

- MAJ Wolve Excelsior Berkana attained the rank of Ace 2nd for PvP!
- LCM Asche achieved Private 3rd for PvE, Marksman 3rd for PvP and reached the 5th Echelon!
- LCM Sam Arsio reached Campaigner 1st for PvE, Officer 4th for PvP and has attained the 12 Echelon!
- LT Hugo Andar, fresh out of IWATS, has attained Marksman 3rd for PvP and a 3rd Echelon Flight Certification!

In the near future, I am fully expecting multiple pilots to reach the pinnacle ranks in PvP and PvE! The Gold Stars will be flowing for Lambda!

We are pleased to welcome back Commander Scottrick to active duty, following his leave of absence, taking flight position Lambda 1-2!

Sadly, we had to bid farewell to Major Xye and Commander ElleOhh. Other obligations require their full attention elsewhere and they will be taking a leave of absence. Hopefully, we will see their triumphant return in the future.

With their departures, this means Lambda has one available spot in Flight II!

## IN CLOSING

As we approach RtF, I want to reiterate that the focus of the Raise the Flag competition is to have fun. If that means playing a specific game or mode, that's perfect. Hop in your TIE, tie into discord voice chat with your fellow pilots, and score points for the glory of Lambda and the Hammer! I will be doing as Jawas do and if you wish to join me in the grind, you are welcome to do so!

Lambda, dismissed.
