*The ISD Warrior, the last scene location of the now-missing Drunken Sector Admiral.*

---

Day Nine of the Imperial Storm 4 Wargames and things are really heating up. On perhaps a more concerning note, the local Sector Admiral- known for his drunkenness in public has gone missing since his appearance at the ISD Warrior's Cantina.

Currently, information on the Sector Admirals location is minimal and any tips on his whereabouts should be directed to your nearby Imperial Naval Station. The Last known location of the Admiral was on the ISD Warrior where it is reported that he drank 14 and 1/2 bottles of Sinfire.

*A Single Strike Cruiser, from the ISD Warrior's Fleet, in combat over Zaadja.*

---

Things have truly escalated today including two decisive battles. Warrior forces on Spar Alpha have overwhelmed the ISD Challenge's Forces. Meanwhile on Zaadja, Challenge forces have defeated the single Strike Cruiser in Orbit.

Warrior forces have also surfaced on Moddell Secundus and the Conflict for Gannaria is still going strong.

More news to come.
